

## sportscotland SSF Awards 2019

Scottish Sports Futures are delighted that the 2019 Awards will take place at the Radisson Blu Hotel Glasgow on Friday 8th February 2019 supported once again by title sponsors, **sportscotland**.

Scottish Sports Futures (SSF) is a charity **Changing Lives Through Sport** and over the last 18 years we have been working with young people in communities that are vulnerable or at risk. Our local and national programmes provide tailored pathways to positive destinations, supporting young people to fulfil their potential and widening opportunities for all.

Without the support of partners, sponsors, and funders, SSF would not be able to reach and impact the young people who live in communities facing disadvantage. The annual awards night is an emotional and inspirational reminder of what can be achieved through partnership working, putting young people at the heart of everything we do.

**We need award sponsors to support us to make this extra special celebratory evening happen.**
